Dear Colleague,

Confused by IT reform? Don't know your rain cloud from your G-Cloud? Come along to our latest Discovery Session on Digital IT reforms where Connor McColgan from Huddle will explain in everyday language how IT is supporting the Government Efficiency Reform Programme and what new systems you can expect on your desktop.

This session is aimed at all colleagues AA and above. The sessions will start at 1.00 pm and will last 1 ½ hrs to 2hrs. Refreshments are not provided.

High interest is expected for this event therefore we encourage early response as places will be reserved on a first come first served basis.

To make the event as relevant as possible we will be delighted to hear from you. If there is a particular area that you would like to cover please contact me in advance of the event.

Further information can be found out about:
