

Discovery Session 26th January 2015 – CS Reform Journey
Trinity Bridge House - Salford
Civil Service Local North West

Dear colleague,

Civil Service Local in the North West is hosting a series of “Discovery Sessions” on key areas of cross government interest for local civil servants. This session will be an opportunity to learn more about Civil Service Reform, and how it may affect future roles and skills in the Civil Service. Using HMRC as an example, delegates will learn how a large department is interpreting CS Reform and other large change programmes, in terms of its future workforce requirements. Delegates will also have the opportunity to explore how CS reform could change their own jobs and the departments they work in.

The session starts at 11am will last up to 2 hrs and will be interactive with plenty of audience participation. The Session is aimed at all colleagues from AA to Grade 6 or equivalent. Please note refreshments will not be provided.

To make the event as relevant as possible we will be delighted to hear from you if there are particular areas that you would like to cover please contact me in advance of the event. We also recommend that you take a look at the new Civil Service Reform website: <http://my.civilservice.gov.uk/reform/> as well as the National and Region CS Local Websites Website: [Civil Service Local](#) | Regional Webpage: [Civil Service North West](#)

For further information or to reserve your place, please contact [Paul Voller](#) (CS Local Discovery Session Lead). Places are limited so please discuss your attendance your line manager and respond by **10th January 2015** to confirm your place.
