What the Election Means for Us

Dear colleague,

Our next Civil Service Local North West Discovery Session will look at how the General Election on May 7th 2015 will affect you.

On 07 May 2015 the UK will vote for a new Government. As a Civil Servant you will help to support that Government. There are a number of questions you may have a civil servant:

- Are there rules we have to follow?
- How might all of this impact on our work?
- How might it affect our everyday lives?

Join our interactive session delivered by Dods Training representative **Tony Shaw** to discover some of the answers to these questions and more. The session will include a quiz, but don't worry, you don't need to be an expert on politics to attend.

The session starts at 11am and will last up to 2 hours.

It's aimed at all colleagues of all grades. Please note that refreshments will *not* be provided.

To make the event as relevant as possible we will be delighted to hear from you if there are any particular issues you would like us to cover.

For more information or to reserve your place, please contact [Mel Park](#).

Places are limited so please discuss your attendance with your line manager and respond by **13th January 2015** to confirm your place.
