

At Civil Service Local North West, we use our popular Discovery Sessions programme as a way to offer bite-sized learning for our Civil Servants. You can go to a 2-hour learning event and meet people from across government with the same issues and interests as you. Different sessions cover specific topics.

Here's a list of what's coming up next in your area with details about when, where and what will be covered. If you feel you would benefit, speak to your manager then get in touch to book your place.
