Date(s)	Weds 29 th June, Weds 6 th July and Weds 13 th July 2016
Organisation	Walsall Education Business Partnership We work in a range of schools bringing together pupils and positive role models – that's you!! We arrange an array of activities that help children to build their confidence and teamwork skills whilst also raising their aspirations for building the best future they can for themselves.
Type of Opportunity	Team-tastic! These three days build on the team-building days we ran with these same children in September 2015 when they transitioned up to the junior school from infant school. Now, approaching the end of the school year, these days will see how their teamwork skills have improved and challenge them to develop further. We will work with one class on each day. An active and different style of day to our usual classroom-based challenge days that gives volunteers a chance to be a positive role model and motivate children to challenge themselves to be their best.
Duration	8.45-3.30pm on all dates Volunteers may attend one individual day or as many as they like.
