

Employers to host student lessons; Sept 2016 on going: Leeds City Council School Improvement will be running Maths classes for secondary school students from disadvantaged backgrounds. They would like to hold these on employer premises to add interest and an incentive for them to attend. If you can host for free up to 20 young people once or twice a year please contact the EBP

Support & mentor students in Maths, Science or English; September 2016 on going; Venue; Allerton Grange School, LS17. Times; 3.15pm for 1 hour (dates TBC), you choose the sessions you can support: Allerton Grange will be running after school sessions during term time for selected students aged 11 to 15 years to improve their Maths, Science or English. Could you spare an hour occasionally to support and mentor during these sessions? You will need to be educated to A Level standard in the subject you choose to support.

Employers sought to host student visits or Work Experience opportunities; autumn term 2016 (dates to be agreed): West Specialist Inclusive Learning Centre (SILC) in Leeds is seeking employers that would host visits or work experience for their students. Ideally you would be located in Leeds. The students would be carefully selected to ensure they can gain the most from the experience. The school caters for young people with learning or physical disabilities or behavioural issues

Employers sought to host Work Experience opportunities; autumn term 2016 (dates to be agreed): The EBP are seeking work experience opportunities for young people who are educated at home and also for young people from disadvantaged backgrounds. If you are based in Leeds and would like to help please get in touch with the EBP
