Activity Description

Donation sorting: all donations are being stored in an off-site warehouse at **i8-Lynnwood, Lynnwood Terrace, Newcastle Enterprise Centres, NE4 6UL (Fenham)**. Volunteers will help sort clothes, food and gifts.

Driver: there are clothing / gift drop off points around the North East, volunteers with a van (or large car) would be asked to be on stand-by for that time period to visit our partners, collect the donations, and drop-off at the warehouse in Fenham. All petrol / expenses are refundable.

Flying: volunteers can be sent leaflets or collect them from Crisis and are asked to drop off information promoting our Carol Service at cafes / local businesses in their local area.

Waitrose: volunteers will hand out flyers and ask customers to donate an extra item at Waitrose in Eldon Square.

Choir Singing: we are running choir rehearsals for volunteers, members and staff every Thursday (starting this week) from 5-6pm at Crisis. Please come along, get festive and then perform at the Cathedral for our Carol Service (14th December 6-8pm)

Carol singing: volunteers will be with staff and members either singing, holding fundraising buckets, and / or handing out flyers.

Setting Up on 24th Dec and Post-Christmas clear-up on 27th Dec: volunteers will help organise / sort / tidy / clean the Christmas venue on 24th December and on 27th ensure it is ready to hand back over to our partners at St. Vincent De Pauls. Please note that this will involve manual handling and some heavy lifting.
