

Fingerspelling alphabet

**A****B****C****D****E****F****G****H****I****J****K****L****M****N****O****P****Q****R****S****T****U****V****W****X****Y****Z**

Fingerspelling is the **British Sign Language** (BSL) alphabet. It's used to spell out words like names of people and places. However, fingerspelling alone is not sign language.

To **learn more** about fingerspelling and BSL, contact us today. Our friendly Information Line team is waiting to answer your call or email on anything related to deafness, tinnitus or hearing loss.

Action on Hearing Loss (formerly RNID) is the largest UK charity helping people who are confronting deafness, tinnitus and hearing loss. We give support and care, develop technology and treatments, and campaign for equality. We enable people to take control of their lives and remove the barriers in their way.

To find out more about what we do and how you can support us, go to **actiononhearingloss.org.uk**
